

Noochoon Distribution Packages

Package 1

Where an artist performs another writer's material.

Artist: 50%

Songwriter 25%

Noochoon 25%

Studio Production is usually financed by the artist

Package2

Where an artist performs material partly written by themselves and partly by Lane and Lane.

Artist /co-writer : 50%

Co-writer 25% (Lane and Lane)

Noochoon 25%

Studio Production is usually financed by the artist

Where production is extensive, the producer becomes the co-writer by mutual agreement

Writers then stand to gain royalties from tracks which are performed in public on the radio, television or at public gatherings.

There is also an agreement that Noochoon should distribute the track on itself and, if required at a cost of £50 for a variety of other sites.

To achieve this, writers should be registered with the PRS.
